

## KOOK 60

Componenti / Components / Bautelie / Composants / Componentes

| N° | Codice/Code  | Descrizioni / Description / Beschreibung / Description / Descripcion                                                                                                                                                                                                               |
|----|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1  | 41451002300  | Sonda fumi con flangia / Smoke sensor with flange / Rauchgasfühler mir Flansche / Sonde fumées avec bride / Sonda humos con arandela                                                                                                                                               |
| 2  | 4160386      | Sonda temperatura ambiente / Room temperature sensor / Raum- Wassertemperaturfühler / Sonde température ambiance / Sonda temperatura ambiente                                                                                                                                      |
| 3  | 41451104100  | Pres a con fusibile / Socket with fuse / Steckdose mit Sicherung / Prise avec fusible / Toma con fisible                                                                                                                                                                           |
| 4  | 41451603300  | Cavo alimentazione / Power cable / Stromkabel / Câble d'alimentation / Cable alimentación                                                                                                                                                                                          |
| 5  | 4120631A     | Tubicino siliconico - 5m / Silicon tube - 5m / Silikonrohr - 5m / Petit tuyau en silicone - 5m / Tubo silicónico - 5m                                                                                                                                                              |
| 6  | 41451003700  | Pressostato / Pressure switch / Druckschalter / Pressostat / Presostato                                                                                                                                                                                                            |
| 7  | 412007004    | Clickson 110°C / Clickson 110°C / Clickson 110°C / Clickson 110°C / Clickson 110°C                                                                                                                                                                                                 |
| 8  | 41452004400  | Scheda madre W003+PQ055_A01 - non programmata MICRONOVA / Unprogrammed motherboard W003+PQ055_A01 MICRONOVA / Unprogrammierte Hauptplatine W003+PQ055_A01 MICRONOVA / Carte mère W003+PQ055_A01 - Non programmée MICRONOVA / Tarjeta madre W003+PQ055_A01 - sin programa MICRONOVA |
| 8  | 41452004400A | Scheda W003+PQ055_A01 - FW OYSTER AIR MICRONOVA / Motherboard W003+PQ055_A01 - FW OYSTER AIR MICRONOVA / Hauptplatine W003+PQ055_A01 - FW OYSTER AIR MICRONOVA / Carte mère W003+PQ055_A01 - FW OYSTER AIR MICRONOVA / Tarjeta madre W003+PQ055_A01 - FW OYSTER AIR MICRONOVA      |
| 9  | 41451603600  | Cablaggio elettrico / Electrical wiring / Elektrische Verkabelung / Câblage électrique / Cableado eléctrico                                                                                                                                                                        |
| 10 | 41451201900  | Cavo Flat L 1,4 M / Flat cable L 1,4 M / Flat Kable L 1,4 M / Câble Flat L 1,4 M / Cable Flat L 1,4 M                                                                                                                                                                              |
| 11 | 41451701500  | Pannello comandi / Control panel / Bedienblende / Tableau de commandes / Panel de mandos                                                                                                                                                                                           |
